

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The philosophy of a Democracy demands diverse opinions. I am urging you to protect this Democracy and not allow further degradation of our information sources. When a single source is the only voice that is heard we lose the ability to discern what is or is not the truth.
